Dear Parents

1) **Earth Hour**

**Earth Hour** was initiated by WWF (World Wide Fund for Nature) in 2007 in an effort to promote an awareness of climate change and encourage people to take responsibility towards a sustainable future.

We would like to encourage all pupils and parents to join in this global annual event to drive positive change for the environment by switching off non-essential lights and air-conditioners on **Saturday, 24 March 2018 from 8.30 pm to 9.30 pm.**

Pupils and parents can also log on to <https://www.earthhour.org/> to find out more about this initiative and pledge their support.

2) **Donation of Used Books and Other Items for Jumble Sale**

Earth Day is an annual event which aims to inspire awareness of and appreciation for earth's environment. Rulang commemorates Earth Day every year by having a Jumble Sale to raise funds towards a good cause. We would like to appeal to all pupils and parents to donate old items such as storybooks, past issues of educational magazines (for example, Young Scientist, Maths Oasis, Reader's Digest, and National Geographic), toys and stationery which are still in good condition for our Jumble Sale held in April.

Our Environmental Representatives from each class will collect the items from **21 March 2018 to 28 March 2018.** The donated items will be sold to our pupils at a low price. The money that is collected will be donated to The Society for the Prevention of Cruelty to Animals (SPCA) which aims to promote kindness and prevent cruelty to animals through education, advocacy and action.

We look forward to your generous donation of the items stated above.

Thank you.

Yours faithfully  
Mr Eugene Ong  
Principal
