Dear Parents of Primary 2C and 2D pupils

Integration-Through-Play Programme with Pupils from Grace Orchard School

With our close proximity to Grace Orchard School, a meaningful partnership aimed at fostering greater mutual understanding between the staff and pupils of the two schools has been established.

Grace Orchard School is one of the 20 Special Education (SPED) schools in Singapore, which provide customised educational programmes aimed at developing the potential of pupils and helping them to be independent, self-supporting and contributing members of society. The mission of SPED schools is to provide the best possible education and training to children with special needs so as to enable them to function optimally and integrate well into society.

Starting from today, we will be rostering our Primary 2 classes to have an interaction session at Grace Orchard School before school starts and vice versa. There will be combined activities planned for pupils of both schools. Primary 2C pupils will walk over to Grace Orchard School at **12.15 pm** while Primary 2D pupils will host the pupils from Grace Orchard School in our Music Room on Thursday, 12 April 2018. There will be a swop of activities on Tuesday, 17 April 2018.

The school has arranged for Ms Merissa Ang, a psychologist from Grace Orchard School, to conduct a briefing session for our pupils on Monday, 9 April so that they would have a better understanding of the profiles of the pupils of Grace Orchard School.

Through these planned and purposeful interactions, we aim to foster better social integration and enhance the learning experiences for children from both schools, thus building a more inclusive society.

Thank you.

Warmest regards

Mr Eugene Ong
Principal
