Dear Parents of P3 Pupils

INFORMATION ON ACCESS TO STUDENT LEARNING SPACE

1. In Rulang Primary School, we believe in helping every child find joy in learning and using technology to empower our children to learn better.

HOW SLS SUPPORTS STUDENTS' LEARNING

2. As part of Ministry of Education's (MOE) commitment to nurture future-ready learners, an online learning platform known as the *Singapore Student Learning Space (SLS)* has been developed by MOE in collaboration with students and teachers. It provides all students across schools with quality curriculum-aligned resources and teaching and learning tools.

3. Teachers will also use the teaching and learning tools in SLS to design lessons for students to explore and work collaboratively. Students can also use the SLS to learn at their own pace and be responsible for their learning.

COMPLETION OF ROLLOUT TO SCHOOL

4. Last year, a group of students from our school was selected as part of a pilot phase to test the use of the SLS and provide feedback to refine the system to ensure that it meets the needs of our students. Now that the pilot phase has been completed, we are pleased to inform you that your child will be able to access the newly refined SLS starting from **today**.

ACCESS TO THE STUDENT LEARNING SPACE

5. SLS can be accessed from **<https://learning.moe.edu.sg>**. The username and the password have been given to your child separately. For technical assistance, your child may contact SLS Helpdesk at helpdesk@sls.ufinity.com or 6702 6513.

6. We look forward to working together with you to support your child's learning. Should you need further clarifications, please do not hesitate to contact Mdm Chia Ee Ling Lynn, HOD/ICT/ Innovation & Niche/ PW/ MRL, at 6565 7771.

Yours faithfully

Mr Eugene Ong
