Dear Parents of Primary 1 pupils

## **E-learning Exercise Day on 26 April 2018**

The conduct of electronic-Oral (e-Oral) examination in the revised PSLE MT and FMT examination format was implemented last year. SEAB has set aside 26 April 2018 to allow all Primary 6 pupils who are taking the new MT and FMT syllabus an opportunity to experience e-Oral in an examination setting.

As such, the school will be conducting an E-learning Exercise on 26 April 2018 for all Primary 1 to Primary 5 pupils. This is also part of the school's emergency SOP to ensure that all staff and pupils are operationally ready and systems (such as the e-learning portal) put in place in the event of a national crisis.

Through the E-learning portal, pupils will have access to online assignments at home during school closure. All Primary 1 to Primary 5 pupils need not attend school on this day. Instead they will log onto the E-learning portal from 8.30 am to 12.30 pm to complete the worksheets assigned by their teachers online. Our Subject Head/ICT, Mdm Norazleen, as well as the Technical Assistants, will be stationed in our school during this period of time to answer queries and render assistance when necessary.

Please respond to the survey on the **given link or QR Code** by **Thursday, 19 April 2018**. To ensure the accuracy of the information provided, we seek your kind cooperation that the survey is completed by a parent. Provision of hardcopy survey forms can be made for pupils upon request. Please return the acknowledgement slip to your child's form teacher by Friday, 20 April 2018. Your response will facilitate the school in providing an alternative plan that can be put in place for pupils who have no computer or Internet access at home. Thank you.
