Dear Parents of Primary 2J pupils

## **Integration-Through-Play Programme with Pupils from Grace Orchard School**

With our close proximity to Grace Orchard School, a meaningful partnership aimed at fostering greater mutual understanding between the staff and pupils of the two schools has been established.

Grace Orchard School is one of the 20 Special Education (SPED) schools in Singapore, which provide customised educational programmes aimed at developing the potential of pupils and helping them to be independent, self-supporting and contributing members of society. The mission of SPED schools is to provide the best possible education and training to children with special needs so as to enable them to function optimally and integrate well into society.

Starting from this term, we have been rostering our Primary 2 classes to have an interaction session at Grace Orchard School before school starts and vice versa. There will be combined activities planned for pupils of both schools. Primary 2J pupils will walk over to Grace Orchard School at **12.15 pm** on Thursday, 17 May 2018 and host the pupils from Grace Orchard School in our Music Room on Friday, 18 May 2018.

The school has arranged for Ms Yvonne Ng, a psychologist from Grace Orchard School, to conduct a briefing session for our pupils on Monday, 14 May so that they would have a better understanding of the profiles of the pupils of Grace Orchard School.

Through these planned and purposeful interactions, we aim to foster better social integration and enhance the learning experiences for children from both schools, thus building a more inclusive society.

Thank you.

Warmest regards

Mr Eugene Ong  
Principal
