Dear Parents

## Nature Walk cum Sensory Trail

The school will be organising a Nature Walk cum Sensory Trail on **Thursday, 29 March 2018**. Pupils will be embarking on a learning journey while walking from Rulang to Chinese Garden and back to Rulang. The objectives of this learning journey are:

- to understand their roles and responsibilities in conserving the environment and to take pride in their heritage and unique way of life;
- to learn more about their roles and responsibilities in building a gracious community in Jurong;
- to know more about the past history, the current state and future development of Jurong (NE Message: Singapore is our homeland; this is where we belong) and
- to promote earth sustainability through focusing on the 3Rs, “Reduce, Reuse and Recycle”.

Pupils from Primary 4 to 6 will be embarking on this trail. They will report to school in their PE attire in the School Hall by **7 am**.

Your child will receive a disposable raincoat, a bottle of mineral water as well as a snack before the trail. As the weather may be hot, it would be advisable for your child to bring along his/her water bottle and a cap. He/She is also required to bring along a clipboard, a note pad and a pen/pencil.

## Wet Weather Programme

Activities based on the worksheets for the trail will be conducted for the pupils in the school.

## Dismissal Time

Pupils will be dismissed from school at **12 noon**. There will not be any ISR for the Primary 5 and 6 pupils in the afternoon. Please make the necessary transport arrangement if it is applicable to your child. Pupils taking daily school transport will have the usual transport arrangement from home to school and back home.
